

Obituary – Shri Ravi Shankar

With profound sorrow, we record the passing away of Shri Ravi Shankar, Director General (Retired), Geological Survey of India on 03.02.2017 at 03.00 am. He has inspired many by his illustrious contributions and was a visionary. He had relentlessly pursued the interests of GSI, emphasizing its importance to National development. He was a Life Fellow of the Geological Society of India and took keen interest in its activities. Our deepest and heartfelt condolences to the family.
